Country Selection

The most important decision as child and the parents have to make is, which is the right country to study.

Course Selection

The biggest difference in the education system in India and in western countries, is the sheer number of majors (specializations) that a student can pursue.

University Selection

At KSA, we completely assist students in selecting the right university concerning location, ranking, and courses offered.

Exam Counseling

As part of the admission requirements, every country, depending on the course needs the students to appear for certain examinations.

University Applications

You've made the final decision of studying abroad and becoming an international student.

Securing Admissions

Every global university has a pre-set eligibility criteria, application deadlines and fees payment schedules.

Securing Scholarships

Every international university offers scholarship to the meritorious candidates applying to their universities.

Services

Financial Planning

Studying abroad needs a very carefully designed financial plan. The course duration ranges from one year to six years.

Loan Assistance

Studying abroad needs a very carefully designed financial plan. The course duration ranges from one year to six years.

Visa Processing

Applying and securing visas is one of the most crucial aspect of studying abroad. Most students and parents dread the visa interviews.

Travel Planning

Every country has their academic sessions starting at different times.

Flight Bookings

Most of the times ,when students travel to the university,they are flying international for the first time.

Stay Arrangements

Most parents are always anxious about their child's safe accommodation at the university.

Foreign Exchange

Once the student is all set to fly, the last step is arranging the foreign exchanges and forex cards.

Testimonials

Passion and Commitment, that's the best way I can describe Ulka. During my 30 day's of IELTS general training, Ulka was passionate and committed while teaching. All the methods and techniques taught by Ulka helped me a lot to get better every time I used them.

I was in 5 bands and Ulka helped me to achieve 6.5 band's overall. I can say anyone practicing the technique taught during training will easily help you achieve 7 or more band's in overall. I would like to thank Ulka, for all the hardwork and keep up the good work and same level of passion and commitment.

Aamir Ansari - Band 6.5

Ulka ma'am is an enthusiastic person, she has a strong stimulus for students and is pragmatic and result-oriented teacher. She is extremely well organized and tailored. Her teaching is in accordance with her student's needs. You will see a real improvement of your English proficiency. She is very professional and is always willing to help her students during the class, but also when they are practising on their own. In a nutshell, she is the best teacher and an adorable person.

Piyush Shekokar - Band 7.5

Ulka Madam not only helped me to prepare for the IELTS exam but in general worked on improving my ENGLISH weaknesses with her high quality teaching and well prepared material. She took the session as per my convenience and gave feedback and made me alert on every step. Due to her, I even built up the confidence to give my IELTS.

Training

GRE[®]

The Graduate Record Examination

The Graduate Record Examination (GRE) is a standardised test that is accepted for admission to various disciplines at many graduate and business schools across the globe. Aspirants who are interested in pursuing a master's degree, Specialised Master's Course, MBA or Doctoral degree can sit for the GRE. GRE Test is conducted by the Educational Testing Service (ETS), a US based organisation. It is available both in computer-based format and paper-based one.

TOEFL[®]

Test of English as a Foreign Language

TOEFL Test Pattern : The TOEFL test evaluates ability of a non-native English speaker to read, write and speak English. There are four sections in the TOEFL Test Pattern, namely, listening, reading, speaking and writing which take a total of about four and a half hours to complete. During the TOEFL, candidates are asked to perform tasks that combine more than one skill in the TOEFL test pattern, such as: Read, listen and then speak in response to a question.

IELTS

The International English Language Testing System

Educational Testing Service (ETS) and British Council are two major bodies responsible for designing the test pattern of The International English Language Testing System (IELTS). IELTS Test Pattern is designed to reflect real life use of English in different scenarios - at study, at work, and at play and results are graded on the unique IELTS 9-band scale. Both the versions of IELTS pattern - IELTS Academic and IELTS General Training version of IELTS test - are made up of four sections, Listening, Reading, Writing and Speaking.

SAT[®]

Scholastic Assessment Test

Scholastic Assessment Test, directed by the College Board. The exam is specially designed for candidates who are seeking admission to UG schools.

SAT Exam Pattern 2023 - The College Board conducts the Scholastic Assessment Test as per the given SAT 2023 exam syllabus. The SAT exam pattern consists of two major sections: EBRW (Evidence-based Reading and Writing), Math, and an optional essay.
